Dear Neighbor,

August 8, 2016

As a follow up to the notice you received on Aug. 1, we have determined a portion of your street is suitable for microsurfacing (see map on reverse). The work was originally scheduled for Wed., Aug. 3, but could not be completed because cars were parked on the street.

Microsurfacing is now planned for Thurs., Aug. 11 on 44th Ave NE between 43rd Pl NE and 9541 44th Ave NE.

Cars cannot be parked on 44th Ave NE between NE 95th St and 43rd Pl NE on Thurs., Aug. 11 from 7 AM to 5 PM. Please follow all posted “No Parking” signs and detours. Cars parked within the posted work area on the day of the work will be towed away at the owner’s expense. If you wish to use your car on the day of microsurfacing, we recommend you move it before 7 AM to a street not scheduled for work. Please refer to our website and previous notices, or contact us, for more information about what to expect and how to prepare for microsurfacing. We apologize for any inconvenience our change in plans may cause. Thank you for your understanding.

Sincerely,
